Welcome

It is a pleasure to introduce two new Trustees to the WHCG Foundation Board.

Wimmera Cancer Centre update

The Foundation's anticipation is growing as the new Wimmera Cancer Centre nears completion. The building is on target and expected to be open early in the new year.

We are very proud to have pledged \$420,000 to the new centre and are the largest financial contributor to the Centre outside the Federal and State Governments. This wonderful contribution has been made possible through the generosity of you, our Foundation 500 members and donors.

Our work doesn't end here, the Foundation is always on the lookout for special projects to assist the Horsham and Dimboola campuses in providing better healthcare for the patients of the broader Wimmera –Mallee region.
