**30for30 was launched last year
to celebrate 30 years
since the Foundation was established.**

30for30 is quite simply \$30 per month for 30 months and a wonderful way for you to make a difference to quality health care in our region.

You can register for 30for30 on the Foundation's website by visiting the "Donate" section and filling out the online registration form. Alternatively you could arrange through your workplace or bank to directly transfer \$30 per month from your salary or chosen account for 30 months.

As a thank you for your commitment to the campaign you will receive a new WHCG Foundation KeepCup.

**WHCG Foundation is doing its bit
for a sustainable environment by offering
KeepCups for supporters to purchase for \$30.**

KeepCups are a quality Australian made re-useable cup. By using a KeepCup with WHCG Foundation branding your purchase helps by:

- ☕ Spreading the word of the good work KeepCups and the Foundation are doing in the community.
- ☕ Raising funds for the Foundation that will continue to provide funding for special projects within the WHCG.
- ☕ Assisting the hospital's café in achieving their goal to use more environmentally friendly products eg. re-useable cups.
